

A typical day in the After-school Program...

Our vehicles pick up students as soon as schools let out.

Students arrive to our facility, have a snack, and prepare for their lessons.

Small games or quiet activities are organized and supervised by our staff.

A martial arts class with professional instructors.

A snack-break after class, then it's off to group games or work on homework.

The day ends with pick up lasting until 6:00pm.
