How Does Testing Work...stripes & belts?

- ❖ We promote students to their next rank during the months of; Sept., Dec., March, & June
- ❖ Students earn one colored stripe each week. 8 are needed to qualify for belt exam
- ❖ We Evaluate Based on; Effort, Attitude & Attendance
- ❖ If your child misses a Stripe they can make it up during the Fitness stripe weeks (black stripe)
- ❖ Quarterly promotion weeks are scheduled where parent(s) are invited into class with their child to celebrate them passing onto the next rank. The parents then participate in a special class designed to encourage practice & fun with Kung Fu at home.
