ATI- Club Tournament a HUGE success!

Yes, yes, we know it was too busy and crowded. This is why we are running the event over two days in November. We want all spectators to be able to sit. This means fighters hang out up stairs in the warm-up room or sit on the mats behind the flag bunting. We will time the event so less people are in the gym at one time and so the officials get a break to eat and drink over the 9 hours that we run it on the Saturday! We are so grateful to you all for the support you have shown and this has helped so many kids and adults get experience and show off their talents, even if they did not win a medal.

Well done to Logan Burrus winner of the %supreme dragon+trophy, and to Jane Henderson, Callum Shahidi, Michael Kaplan and Olivier Roberts for winning best Male/female junior and senior fighter awards. And well done to Andrew Manders for winning overall technical champion award. Andrew was a stand out performer in sparring also on the day. **As this goes to print the ATI team cleaned up at the state championships with 34 Gold, 26 Silver and 9 Bronze medals- looks like a huge team for the Nationals in Sydney this year!**
