Character Trait #8:

"Uses Their Power At The Proper Time And In The Proper Place"

A Kage No Michi Ninja learns many things during their training. It is important to remember that there is a time and place for everything. How have you been able to demonstrate this outside of the dojo? Here are examples of showing this trait in a practical situation.

1. Only using "self defense" techniques when in physical danger.
2. Helping others only when the help is wanted.
3. Keeping everyone in order when you are a line leader at school.
